

Nelson Loop

Approx 525 KM

One of my all time favorite roads to ride is 3A from Creston to Kootenay Bay ferry. This fabulous road is part of the Nelson loop and who doesn't like a free ferry ride. This route is also the definitive WCIC route and has been part of this event every year we used Kimberley as home all the way back to year 1 in 2018. Lunch stop will be Finlay's Bar and Grill in Nelson. This route will return to the lodge in time for you to make dinner plans with friends new and old.
